### 2. General

- 2.1 These terms and conditions shall apply to any contract in terms of which the Company agrees to sell any Products, irrespective of the circumstances under which the Contract arose and to the exclusion of any terms and conditions which the Purchaser may seek to make applicable, and no alteration or variation of these terms and conditions shall be of any force or effect unless and until recorded in writing and signed by the Company and the Purchaser.
- 2.2 The acceptance of all orders is subject to availability of Products.

### 3. Acceptance of Contract

A contract shall come into existence when the Company accepts any order for Products placed by the Purchaser or when a Purchaser accepts any offer to sell Products made by the Company by conveying such acceptance, in which event these General Terms and Conditions of Sale shall apply.

### 4. Price variation, Purchase price, Payment and Interest

- 4.1 Unless otherwise stated in writing, prices, charges and discounts allowed will be those ruling at the time of dispatch of the goods. The SELLER reserves the right at any time to raise the price quoted without notice in the event of any alteration taking place between the date of quotation and the date of delivery of goods in respect of costs of materials, labour, energy, carriage, currency exchange parities, customs duty, taxes or any other costs having a bearing on the price.
- 4.2 All prices are strictly nett and not subject to any discounts unless otherwise agreed to in writing by the Company.
- 4.3 The purchase price does not include Value Added Tax, which shall be paid by the Purchaser in addition to the purchase price.
- 4.4 The purchase price does not include the cost of delivery of the Products to the Purchaser, which shall be for the Purchaser's account, unless otherwise agreed to in writing between the parties.
- 4.5 Unless otherwise agreed to in writing by the Company, the purchase price of the Products shall be paid in full, not later than the last day of the month following the date of the invoice.

- 4.7 Any amount not paid on due date shall bear interest at a rate of 2% (two percent) per month from the due date to the date of final payment.
- 4.8 Set off shall operate automatically as a matter of law at the moment reciprocal debts between the Company and the Purchaser come into existence and independently of the will of the parties and it shall not be necessary for either of the Company or the Purchaser to specifically raise set off. Upon the operation of an automatic set off aforementioned, the debt shall be mutually extinguished to the extent of the lessor debt with retrospective effect.

### 5. Retention of ownership

Furthermore, the Purchaser shall on request provide the Company with full information of its Landlord, including all contact details.

- 5.2 Nothing in these conditions shall confer any right upon the Purchaser to return the Products or to refuse, or delay, payment therefore and the remedies conferred on the Company are in addition to and shall not in anyway restrict or prejudice any rights and remedies of the Company under the Contract.

### 6. Delivery

- 6.1.1 Delivery to the Purchaser shall be from the Company's premises unless otherwise agreed in writing.
- 6.1.2 When the Purchaser collects goods from the Company's premises using its own or its agent's transport then such collection shall be entirely at the Purchaser's risk and the Purchaser shall be liable for all damage of whatsoever nature caused as a result of or during such collection. The Purchaser shall be liable for loading the Products onto its transport provided that the Company may, if so requested, assist the Purchaser with such loading, but only at the sole risk of the Purchaser.
- 6.1.3 In the event that the Company agrees to effect delivery by its own vehicles to the Purchaser at its place of business, then offloading shall be effected by the Purchaser's own employees at the sole risk of the Purchaser, who shall be responsible for all damages of whatever nature caused by or as a result of such offloading. The Company's employees may, if so requested, assist with such offloading, but only at the sole risk of the Purchaser.
- 6.1.3 If Products are sent by rail, courier services or third party delivery services, the Company shall be entitled to recover the costs thereof from the Purchaser, including all costs of insurance as may be requested by the Purchaser. For the avoidance of doubt, failure to insure the Products by the Company shall not give rise to any claim by the Purchaser or anyone else against the Company.
- 6.2 While the Company will use its best endeavours to comply with any delivery date, it will not be responsible for any loss or damage whatsoever caused by late delivery.
- 6.3 If the Company effects delivery in instalments, late delivery of one instalment shall not entitle the Purchaser to reject any other instalment under the same Contract.
- 6.4 If the Purchaser fails to take delivery at the time required by the Contract, the Company shall be entitled without prejudice to any other rights it may have to treat the Contract as at an end and to resell the Products or to invoice the Products to the Purchaser in which event payment in full shall become due in accordance with the provisions of clause 4. ### 8. Limitation of liability and returns

- 8.1 The Company will take all reasonable care to ensure that the goods sold are of good quality and workmanship but the Company does not guarantee the suitability of such goods for any particular purpose and the Purchaser must satisfy him/itself as to the suitability of the goods for the purpose of which he/they requires them.
- 8.2 The Company must be notified in writing of short deliveries of, or any damaged Products received (whether wholly or in part) within 48 (forty eight) hours of receipt thereof by the Purchaser. Failing such written notice, the goods will be deemed to have been delivered complete and in good order and the Purchaser will be deemed to have accepted them in performance of the Contract.
- 8.3 Where it is established to the satisfaction of the Company that the Products delivered by the Company contain at the time of receipt some defect in quality (not being a defect caused by some act of neglect of the Purchaser or a third party) the Company may within 14 days of delivery to the Purchaser:
  - a) Agree to the return of the Products to the Company at the Purchaser's expense; or
  - b) The Company will at its own cost repair or replace them; the choice being at the Company's option.
- 8.4 Should the Purchaser have any complaint of whatsoever nature concerning any of the Products supplied, it shall be entitled to require the Company to cede to it any rights that the Company may have against the original supplier of those Products and shall have no other claim against the Company whatsoever.
- 8.5 Save as aforesaid the Company will not be liable to the Purchaser for any loss or damage whatsoever nor shall the Company be liable in any way for loss of profits or consequential damages suffered as a result of a defect in

- 10.1.2 Should the Purchaser be in breach of any term of the Contract with the Company.
- 10.1.3 Should the Purchaser enter into any composition or arrangement with, or for the benefit of, its creditors or commit an act of insolvency or be placed under Business Rescue or should it go into liquidation either voluntary or compulsory or under Judicial Management or have a receiver appointed over all or any part of its assets, or if any order is made against the Purchaser for the preservation safeguarding or regulating the use of the Purchaser's property or assets.

#### 11. **Intellectual property rights**

- 11.1 The Company is the proprietor of trademarks and trade names, copyright or other intellectual property rights relating to its name and products and it reserves all such rights to itself and no authorization or license is granted to the Purchaser by the Company otherwise than for the purpose provided herein.
- 11.2 The Purchaser hereby indemnifies the Company at all times and holds it harmless against all damages, demands, penalties, costs, claims, expenses and any other liabilities that may arise from any infringement of copyright which result from compliance with and/or execution of the Purchaser's instructions, whether express or implied.

#### 12. **Force Majeure**

The Company in its sole discretion shall have the right to postpone or suspend delivery of all or part of the products to the extent and for as long as such delay is caused by or attributable to circumstances beyond the reasonable control of the Company. The Company shall further have the right if any of the aforesaid circumstances persist for 90 (ninety) days or longer to forthwith cancel the contract of sale on written notice to the Purchaser in respect of those products not delivered at the time of cancellation. The Company shall not be liable to the Purchaser for damages as a result of such postponement, suspension or cancellation, but the Purchaser shall remain liable for the price of all products delivered in terms of the contract of sale.

#### 13. **Notice**

Any written notices in respect of this Contract shall be delivered by prepaid registered post or by hand or by telefax or by electronic mail.

#### 14. **Whole agreement**

#### 15. **Waiver**

- 15.2 No relaxation or indulgence granted by the Company to the Purchaser at any time shall be deemed to be a waiver of any of the Company's rights and no such relaxation or indulgence shall

be deemed to be a novation of any of the terms of this agreement or create any estoppel against the Company.

#### 16. **Assignment**

- 16.1 The Company may at any time, without the Purchaser's consent, cede, assign or transfer and make over all its rights, title and interest in and arising out of any sale of products at any time.

#### 17. **Jurisdiction and costs**

- 17.1 In terms of Section 45 of the Magistrate's Court Act 32 of 1944, the Purchaser hereby consents to the jurisdiction of the Magistrate's Court having jurisdiction in terms of Section 28 of the said Act in respect of any action to be instituted against the Purchaser by the Company in terms of the Contract. It shall nevertheless be entirely within the discretion of the Company whether to proceed against the Purchaser in such Magistrate's Court or any other court having jurisdiction.
- 17.2 The Company shall be entitled to recover all charges of whatsoever nature which may be incurred by the Company in enforcing any of the provisions of this Contract including, without limitation, by virtue of the foregoing, all legal costs including costs on the scale as between attorney and client, collection commission and tracing agents fees.

#### 18. **Credit Bureau**

4. If there is provision in this document for signature by more than one person of this Suretyship and one or more of those persons do not sign the Suretyship, that fact shall not affect the liability of the person(s) who does/do sign this document;
5. The Creditor is hereby irrevocably authorised to apply any monies received by it from ME/US in terms of this Suretyship against the indebtedness to it of the Debtor in such manner as the Creditor in its discretion may think fit;

- 11. I/WE renounce the benefits of excussion, division and cession of action, the full meaning and effect whereof I/WE know and understand;

The person signing this Suretyship on behalf of the company shall be deemed by virtue of such signature to be party to the foregoing warranty and representation in his personal capacity jointly and severally with the company;
- 13. If the estate of the Debtor is provisionally or finally sequestrated or (if the Debtor is a company) it is placed under provisional or final winding-up or placed under Business Rescue, MY/OUR liability hereunder shall not be affected in any way.
